Executives Ask For \$10,000,000 World Advance Program In 1950

50-50 Plan Would Meet Need — Awakening Non-Givers Is Planned

By C. E. Bryant

NASHVILLE, Tenn. — (BP) — Executives of Southern Baptist agencies and members of the Southern Baptist Executive Committee laid tentative plans in a called meeting here September 21 for an enlarged program of world evangelism beginning in 1950.

The session had been called to consider proposals of the Foreign Mission Board for a Program of Advance which would increase the foreign mission personnel from 670 to 1,750 and the Board's annual budget from \$3,500,000 to \$10,000,000.

Members of the Executive Committee's promotion and finance subcommittees formed the nucleus for the meeting, and their recommendations will be presented to the full regular session of the Executive Committee in December. Actions there will be recommended to the Southern Baptist Convention meeting in Oklahoma City next May.

It was a session of deep spiritual interest with prayerful concern given to all phases of the denominational work.

Dr. M. Theron Rankin, executive secretary for the Foreign Board, likened the need for expansion to a pyramid with foreign missions at the top and the local churches at the base. He pointed out that as the top of the pyramid is increased, so must the base be proportionately enlarged.

"We recognize," he said, "that a program of world advance involves the whole denominational structure at the home base as well as overseas," (Continued on Page Two)

President's Address Opens School Session

M. C. Student Body Large

Dr. D. M. Nelson, President of Mississippi College, spoke at the opening of the 1948-49 session "The Meaning and Mission of Mississippi College." As a part of the opening program, Dean Howard E. Spell presented all the new faculty members to the student body. Dr. Nelson's speech is printed in part:

"Where no counsel is, the people fall; but in the multitude of counselors there is Safety." (Proverbs 11:14). "Without counsel, purposes are disappointed, but in the multitude of counselors, they are established." (Proverbs 15:22). In the spirit of these Biblical passages we come this morning to take counsel with faculty and student body and consider with them the Meaning and Mission of Mississippi College. This is done that all might have a fuller knowledge of their heritage and, therefore, better relate themselves to their areas of activities and responsibilities. . .

A CHRISTIAN COLLEGE

Mississippi College is a traditional Christian college, the type first to appear in the New World and, in fact, with a few exceptions, the only type until within comparatively recent times. It is owned by Mississippi Baptists and operated by a Board of Trustees appointed by the Mississippi Baptist Convention. This Board elects the President of the college and upon his (Continued on Page Two)

The Answer Is Men

By Geo. W. Schraeder, Associate Secretary, Baptist Brotherhood of The South

•Layman's Day — October 10 — is not to be considered just another day on our denominational calendar. It gives Southern Baptists a splendid opportunity to think and pray about one of their greatest challenges and opportunities—that of the enlistment of the manpower that resides in the membership of our churches.

Southern Baptists have no greater obligation than to conserve for Christ the talents and efforts of the 1,500,000 men who have their names on the church rolls of our 26,764 churches. Residing in these men is the answer to our every church and denomina- (Continued on Page Ten)

'RELIEF PROGRAM NEEDED THROUGH WINTER'—CAUDILL

By Dr. R. Paul Caudill, Chairman Baptist World Alliance Relief Committee

MEMPHIS — Study of relief conditions in Europe made it evident that the relief program of the Baptist World Alliance must continue through the coming winter.

The need for food and clothing and medicine continues to be grave. It will be necessary to continue the operation of the 24 feeding centers through April of the coming year. The cost of these feeding centers amounts to from \$9,000 to \$12,000 per month. Added funds will be needed in order to see this vital phase through the win- (Continued on Page Two)

Four Stations Added To Miss. Radio Hour 11 Stations Carry Program

The Convention Radio Committee is announcing a new plan as adopted by the joint committees in a recent meeting in the Baptist Building at Jackson for the Mississippi Baptist Hour according to Rev. A. L. Gatewood chairman of the Radio Committee.

Heretofore, only a select few stations could be carried because of the limited funds and the securing of a network that was already established. As of (Continued on Page Two)

and that we can safely expand our work overseas only as such expansion is based on the strengthening of all the work beginning with the local church."

Maintain Cooperative Program

Such reason became the thinking of the group, and proposals adopted asked for maintaining of present emphasis on the Cooperative Program, both for operating needs and capital needs, reinforced with appeals for increased giving. A special offering was proposed for the Spring of 1950 to boost Cooperative Program receipts that year to a goal of \$10,000,000.

"Rejoicing in the blessing of Almighty God which has caused all Southern Baptist enterprises to prosper in recent years to a degree never experienced heretofore," said the recommendation approved by the group, "we are humbled nevertheless as we face the desperate need of the world for which Christ died."

"This need has been laid upon our hearts afresh by the advance program proposed by the Foreign Mission Board, following their survey of foreign fields."

Time and again throughout the meeting, reference was made to seemingly inequitable division of funds by the local church. Figures and charts presented by Dr. Merrill D. Moore, director of promotion, revealed that average local churches are retaining 78.5 per cent of the collection plate dollar — with all Cooperative Program agencies, state and southwide, receiving only 21.5 per cent. This is far from the projected goal of a 50-50 division of funds.

It was pointed out that the 50-50 plan of distribution throughout — figured on the basis of 1947 gifts of \$132,000,000 to the local churches — would adequately meet denominational needs as presently stated. In fact, the 12.5 per cent of the collection plate dollar reaching the Foreign Mission Board in a 50-50 division throughout would have provided last year \$16,500,000 for foreign missions.

Need for Baptist aggressiveness in this post war period was stated by Dr. Rankin: "We have tremendous resources, both material and spiritual, to exert a tremendous influence upon the life of the world today. We believe sincerely that we have an understanding of God's message in Christ Jesus that the world urgently and critically needs."

"We have determined that in making our contribution to the world, we will do so not through combinations with other religious denominations or through such combined agencies as the World Council of Churches."

Non-Givers Need Awakening

"Since we are not to make our contribution in that way, Southern Baptists must organize ourselves to make our contribution in our own way."

Dr. R. Paul Caudill, chairman of the finance committee, termed the securing of increased gifts "a matter of getting the hearts of the people acquainted with the tragic needs of Christian missions. We must awaken the 50 to 60 per cent of our people who are giving next to nothing." He declared that people informed of the needs will be "so motivated that as Christians we'd rather do with less food and fewer shoes to see missionaries by the thousands going to the ends of the earth to minister in Christ's name."

Dr. Robert G. Lee, president of the Convention, said: "Unless our hearts

are 25,000 miles in circumference, they are too small."

Dr. Caudill reported that total denominational giving to Southern Baptist Convention causes had increased from \$880,000 in 1933 to almost \$8,000,000 last year. The Cooperative Program (undesignated) had increased from \$580,093 to \$5,217,762 in the same period.

PRESIDENT'S ADDRESS

(Continued from Page One)
recommendation the faculty and other administrative officers and faculty members are directly responsible for the successful operation of the college, and are expected to keep it true to the purposes for which it was founded and is presently maintained.

DISTINCTIVE TASK

This means that Mississippi College has a distinctive mission. It is committed to the task of helping to furnish the heaven for education and society through an aggressive and effective Christian leadership. This also means that the chosen officers and faculty are responsible for its program and policies and their execution; and along with the students and former students, the keepers of its traditions and ideals.

Mississippi College is a Liberal Arts College with a curriculum composed of the true and tried disciplines, the mastery of which deepens one's thinking, broadens one's horizon and enriches one's culture; at the same time furnishing adequate preparation for professional and graduate studies. Not only is the Bible taught with out apology in the classroom but its precepts are used freely in other departments, to interpret, enlighten, and enliven secular knowledge.

Mississippi College is interested primarily in developing personality and character. It is more concerned with life than livelihood. . . . For life hardly consists of what one holds externally, but what he really is at the center of being.

FACULTY IMPORTANT

An educational institution is no greater than its faculty. . . . Teachers are in large part a college or university; consequently it is desired and expected that our teachers be scholars, experts in their fields of concentration, apt and eager to teach, correct in personal habits, intimately acquainted with the great Teacher, and earnestly endeavoring through those whom they teach to advance and enlarge the Redeemer's Kingdom. With pardonable pride we delight to say that in our judgment no college has ever assembled upon its campus a teaching staff with a greater percentage of number one teachers than Mississippi College presents today. They not only know what to teach and how to teach and whom they teach, but also why they teach. . . .

This college generation assembled here a 1000 strong hopefully face the future, and resolutely consecrate itself to the task of making preparation to meet all issues howsoever challenging, and solve all problems howsoever intricate and perplexing. This can better be done by listening to the still small voice within rather than the clamor without. This can better be done by refusing to be conformed to this age, but rather to be transfigured by the renewing of mind and the dedication of heart.

RELIEF PROGRAM NEEDED

(Continued from Page One)
ter. The need for men's clothing is more grave than that for women's. Work clothes, underclothes and suits for dress wear are especially needed. The need of underclothes for women and children is greater.

It is a consensus of the meeting of the Relief Committee of the Baptist World Alliance in London that by the middle of the summer of 1949 it will be possible to diminish greatly the need for relief in Europe. There has been the best harvest this year. This means that the food situation is better though not much. Europe is not in a position to raise enough food for herself. If the harvest of 1949 proves to be as good as 1948, conditions will be greatly bettered. The Relief Committee meeting in London also made plans concerning displaced persons. Further information will be released soon by the Relief Committee of the Baptist World Alliance.

Mississippi Baptists--Your Secretary Says: "Love Never Fails." 1 Cor. 13:8

D. A. McCall, Executive Secretary, Phones 4-6384 and 3-2476, Baptist Building, Jackson, Mississippi. Home Phone 3581, Clinton, Mississippi.

"Therefore all things whatsoever ye would that men should do to you, do ye even so to them." Jesus in Matthew 7:12

Every Baptist a Tither

Within the last month we have heard Dr. W. E. Greene, president of Clarke Memorial College, state two or three times that so far they had received between \$102,000 and \$110,000 in their campaign. That shows we did not miss the mark much in a statement regarding receipts coupled with an estimate of monies in hand when we stated the total would be around \$107,000. So far as we know that is already more money than the denomination has ever put into a campaign for Clarke College in all its history. That is not enough for the work it is doing and needs to do.

We know many churches and many people were planning to do something last Sunday. It will help if Clarke Memorial College monies, along with all other monies, are sent in to this office immediately that Dr. Greene and other leaders may know where they are in the campaign.

It seems to us we should be within striking distance of the ultimate goal of \$350,000.

The next phase of the campaign should be in the realm of church budgets. Many churches are putting Clarke College in their church budget. The total will rise rapidly if a great many of our churches will do this worthy thing.

If your church did not take an offering last Sunday, let us urge your church to set a day for such an offering soon.

Every Baptist a Tither

ALL INSTITUTIONS, AGENCIES, DEPARTMENTS, AND COMMITTEES EXPECTING TO HAVE A REPORT IN THE BULLETIN MUST HAVE THEIR REPORT IN THIS OFFICE NOT LATER THAN OCTOBER 15.

Every Baptist a Tither

We would like to pay a tribute to our institution heads. They carry a heavy load. Their problems are varied and multiple. They are outstanding Christians. We have usually agreed with them and with joy have worked side by side with them these ten years. In the few instances when we have not seen eye to eye regarding certain matters, in not one instance has personal feeling been involved so far as we know and we feel we would know.

Dr. D. M. Nelson is an outstanding Christian layman, a loyal church member, a good administrator, and a great leader. We have admired him for many years.

Dr. L. T. Lowrey has led Blue Mountain College in a splendid way for these years. He has kept Blue Mountain College true to her finest traditions and that means at the top.

Mr. W. G. Mize has given good administration at the Orphanage ably assisted by Mrs. Mize. He has led in a building and expansion program that makes the Orphanage a source of pride to multitudes of Mississippi Baptists.

Mrs. Karenza Giffey has filled an unusual place in a great institution. We regard her as a fine friend and a great Christian woman.

Dr. W. E. Greene, Clarke College, is evangelist, educator, pastor, leader and Christian second to none.

Dr. I. E. Rouse is proving himself the

man of the hour at Woman's College. This task has been one for a man among men and Dr. Rouse is proving equal to the occasion.

Dr. B. C. Land is 100 per cent co-operative in all the work. It has been a great joy to us to have him in the building.

We greet and salute these seven fine leaders in our midst!

Why not join others in prayer for them as they labor in these large places.

Every Baptist a Tither

Some of our fine rural pastors are urging us to start having the Preachers' School again. We think it worth while and feel sure that the Board will give some time to a study of it in their annual meeting.

Every Baptist a Tither

Sunday morning at Hollandale the house was filled with a fine spirited congregation. Two additions. This is one of the best delta churches. Brother Wm. P. Davis is the alert and spiritual pastor. You will be hearing more and more from him because he is a young man of unusual ability.

In the afternoon we were at Darlove in a special service. They are just completing a large house of worship and they still need more room. Rev. R. A. Langley who leads is one of our tried and proven preachers.

A large group of men from Hinds-Warren Brotherhood assembled in the cathedral like house of worship at Northside Church, Jackson, on Monday evening. Of course, Brotherhood Secretary W. R. Roberts was present along with several fine pastors, deacons, and so forth.

That morning we were down at Southwest Mississippi Ministers' Conference at McComb. Despite the rain, a large group of our finest pastors were present. There was manifest a spirit of revival.

On the way back a pick-up truck cut across in front of us. We are sure the driver did not intend presenting us with a predicament in which we found ourselves. We had to choose between hitting the truck, a large van just back of him, or taking to the ditch. We chose the latter sliding down the hill in mud and grass for about 50 or 75 feet and coming to a stop right side up.

The next morning we decided to take to the air where driving is safe. We piloted the plane up to the Northwest Pastor's Conference at Sardis. We are indebted to Pastor R. W. Martin, Batesville, for meeting us at the Batesville Airport and to Pastor Kermit Canterbury, Charleston, for returning us to the same place. That meant good fellowship for us with these two fine young pastors. The conference was largely attended and a

fine spirit prevailed. We were given ample time for a devotional message.

At night we were in the Simpson County Brotherhood meeting at Magee. Despite bad weather, nearly 100 men were present.

Wednesday we were at Calhoun Association, New Liberty Church. We flew up and are indebted to Pastor J. D. Walker, Calhoun City, for driving us out and to Associational Missionary Carmen Savell for returning us to the airport. A regular revival broke out in the association.

We were in the office all Thursday until the middle of the afternoon when with Secretary W. R. Roberts we left for George County Association Brotherhood at Lucedale. Every pastor was present and every church in the association was represented. A unique group.

Friday morning we flew up to Oxford where that genial soul, Pastor Howard H. Aultman, met us driving us on to the Panola Association at Pilgrims Rest Church. For the first time this year we ran into a small army of denominational representatives. They make a great group.

Friday evening we were with the Moffitt Bible Class, First Church, Jackson, in their annual banquet. While we had the privilege of bringing the address, it was preceded with most unusual exercises in which Dr. W. D. Hudgins, pastor, Dr. W. E. Holcomb, teacher, Mr. J. C. Stennett, toastmaster, and others participated. The wives of members were also present.

Every Baptist a Tither

We heard a fellow the other day bragging about folks he did not like. We need to remember this is a game others can play. Jesus has something to say about this in Matthew 5:44. The Bible classifies such as follows: "If a man say, I love God, and hateth his brother, he is a liar: for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen?" I John 4:20. Read the five chapters of I John for spiritual refreshment along this and other lines.

Every Baptist a Tither

"Dear Brother McCall:

"Our Jones County Baptist Brotherhood had a Quarterly meeting at Friendship church last Tuesday night. We had 116 present, a number of pastors in the group, Bro. Roberts and Brother Simmons, and other visitors. The ladies served a good wholesome supper and the fellowship was fine.

"The general business was well cared for and the orderly routine done in fine shape. Brother Kenfro was there for the main part of the program. He did a fine job for State Missions. It was a great meeting.

"The new church building to which

we have given \$500 and \$300 from your office is a great piece of work. It will be fine when finished — and it will be finished before too long. Our offering at the meeting was given to the church building fund — \$128.00.

"Through the direction and cooperation and help of your office and the departments, with the fine help and cooperation of the churches throughout the state, and the inspiration of ten years of work and success, Mississippi Baptists now have a great work in progress. We look for some great reports at the association.

"The work of your administration is certainly bearing fruit. So many rural churches are going full time and make budgets and building new church houses — We may look for a steady and wholesome growth right along.

"Our Laurel churches are encouraging and helping our rural churches in their building and work programs.

"The Brotherhood work and the County Missionary — the Associational Missionary — will carry us forward. We do need a leader for our Music Department.

"Blessings on you. You are leading a Great Work.

"Sincerely,
E. D. HURST"

Every Baptist a Tither

Did you ever note how busy Satan gets when things get to rolling for Christ in a church? A revival comes around and Satan gets busy. Secular events are multiplied, an epidemic or two break out, a lot of folks get visiting fever, business affairs call for more time, gossip gets under way, the preacher is attacked, the deacons come under fire, et cetera.

When denominational life begins to catch fire for Christ, the same thing happens. More folks are being won to Christ and baptized. Millions of dollars are rolling in for missions and every other good work. The denomination is ready to "go places" for Christ! The devil gets busy. Hate, jealousy, gossip dictators, charges and counter charges flow!

Just read Job, chapter 1, for the same thing. God was doing too well in raising up good men like Job so Satan goes out and business picks up. The Sabaeans and Chaldeans come, fire falls out and an east wind blows, death and destruction are on the march. BUT WAIT! God lives, Job wins, Satan loses!

Support Our Own Radio Program

We hope every Baptist in Mississippi listens to the Mississippi Baptist Radio Program each Sunday afternoon at 2:30.

No one can complain about the time. There is much dissatisfaction about the early hour at which the Southwide program is heard (7:30 a. m.). But two-thirty in the afternoon seems an ideal time.

The eleven stations now carrying the program puts it within reach of anyone with a radio. An Atlanta paper claims to "cover Dixie like the dew." The Mississippi program covers Mississippi like the dew.

On another page will be found the list of stations now helping Mississippi Baptists preach the gospel. Several new stations have been added beginning Sunday October 3. Look up the list now.

And certainly these who have already spoken are the equal of those on the Southwide program. The list of future speakers is a guarantee that the present high standard will continue.

Mississippi Baptists should support the program with their prayers, their testimony, their ears and their money because:

1. It is ours.
2. It comes at a good time.
3. The speakers are as good as can be secured.
4. Mississippi needs to hear what the Mississippi Baptist Radio Hour will have for them.

Our Laws Should Be Enforced At The Fair

Mississippi has laws against gambling. We know of no reason why the laws should not be enforced at our Mississippi State Fair.

We recall that last year the police ordered five gambling outfits to close up, two on Wednesday night and three on Thursday. Why did they wait so long. If it was illegal on Wednesday and Thursday, it was illegal on Monday.

Did it take our officers three

days to discover that gambling was going on?

And why simply order them to quit gambling. Even overtime parkers must pay a fine. They should have been arrested. Or do our officers simply order law violators to quit rather than arrest them?

The State Fair grounds are within the city of Jackson and the county of Hinds. The officers should stop any gambling schemes or games Monday not on Thursday.

We cannot believe that the good people of Mississippi have sunk so low that it takes open gambling to induce them to attend the Fair.

Most Mississippians abhor gambling or obscene shows. Let our officers enforce the law. Of course a few seek such unwholesome amusement but the majority are entitled to a break.

Give us a clean Fair and let all who desire the low and lewd stay home.

Evidently Hard Up

In recent advance notices in the public press, and in the writings of certain columnists it has been announced that one of the "features" at the Mississippi State Fair this year is to be a "fan dancer" whose name has been widely publicized for a number of years.

In the Commercial Appeal of September 22, on the front page of one section, the following item, sent out under the date line of the Associated Press, was noted:

FAN DANCER FACES COURT

Hearing On Morals Charge Is
Postponed Until Friday

FORT SMITH, Ark., Sept. 21 — (AP)—Hearing on a morals charge for a couple identified by Police Chief Pink Shaw as Fan Dancer Sally Rand and her manager, Harry Finklestein, was postponed until Friday in Municipal Court here Tuesday.

Shaw said the couple was arrested at a tourist court at 5:30 a. m. and docketed on a charge of violating a city morals ordinance.

This item was sent in by a reader. Our comment is this, in addition to being "hard up" the Fair Officials evidently have a poor opinion of "features" Mississippians would appreciate. If advance press reports are true, then, we would like to ask if this is the sort of "feature" the educational systems of our great state will be asked to support by giving a holiday that our youths may help swell the crowds?

Draw your own conclusion as to whether the "entertainment" committees are "hard up" or not.

The Scripture is still true that "the love of money is the root of all evil."

Still Going Up

For the benefit of financial committees, deacons, churches, and others who have anything to do with pastors' salaries, we quote below an Associated Press dispatch of September 25:

"The cost of living index rose another notch in August. . . Wholesale prices hit another all-time high."

—BR—

Inconsistency

Before the repeal of the National Prohibition Amendment the wet crowd claimed that prohibition promoted boot-legging. They have now changed their tune for a press dispatch states that "the Distilled Spirits Institute has complained that boot leggers are increasing and now produce 172,863 gallons a day in illicit stills.

Either they were wrong then or now.

A Black Sheep Pastor

According to the Religious News Service, Rev. Kenneth M. Lindner, Pastor of Immanuel Baptist Church, Fayetteville, North Carolina, has been ousted as president of the New South River Pastor's Association.

This action was taken because Mr. Lindner made a speech, in connection with a recent county liquor referendum, favoring the legal sale of beer and wine. He said he believed that "without control, lawless elements will take over. I have held these views since living in Chicago during the era of Al Capone."

We congratulate the New South River Baptist Association for promptly dismissing such an unworthy leader. We have known hundreds of preachers but this is the second instance of a preacher upholding the liquor traffic.

As to his silly claim that legalization would prevent lawless elements from taking over, it just isn't true.

A few days ago we were in Chicago, where Lindner claims to have lived during the days of Al Capone. And believe it or not one of the front page news stories was about the murder of a gangster. The police suspected present day members of the Capone gang.

It is therefore very evident that legalization has not eliminated the lawless element.

During our many years as a pastor, almost daily we came in contact with the sad and sorrowful results of liquor. Some was legally sold, some illegally sold. But the results were the same—always bad.

We have no sympathy for any preacher who sides with whiskey. He is either wrong in the heart or in the head

Enjoy It—Share It

The idea expressed below came from the Country Gentleman, but it is equally as good for the Baptist Record and therefore we pass it on.

Enjoy It — Then Share It!

It's often been said that nothing is truly enjoyed until it's been shared. If you like this issue of Country Gentleman, why not pass it on, when you've finished, to a friend or neighbor who doesn't subscribe?

One Question Asked

District Attorney M. M. McGowan sharply censures a trial jury at Raymond for returning a verdict of acquittal in the case of Marshall "Black Jack" Powell, charged with hi-jacking a \$1,000 cargo of liquor near Edwards. "A shocking miscarriage of justice," is the way the district attorney describes the verdict.

While a district attorney may be permitted to denounce the verdict at the conclusion of a trial, newspapers can hardly afford to do so. It is conceivable that an acquitted defendant, rising up in righteous wrath, might tell his lawyers to forthwith sock us with a libel suit. Those things are expensive and annoying, even when frivolous.

Therefore, we accept the verdict of "twelve good and lawful men," as the correct finding, whether it was or not. A jury has said that "Black Jack" didn't hi-jack that cargo and that ends the matter insofar as the law is concerned.

What intrigues us, however, is a statement made by our long-time friend, J. Ed Franklin, one of the attorneys for the defense, in his argument to the attorneys for the defense, in his argument to the jury. Mr. Franklin pictured "Black Jack" Powell as "a clean-cut boy who doesn't drink or smoke and who goes to church every Sunday." Mr. Franklin added, "He is one of the most respected citizens of Holmes county."

Now, according to the testimony offered during the trial, and not contradicted from any quarter, Powell is the proprietor of a night club and dance hall in Holmes county, and we have been doing our darnedest in the realm of imagination to reconcile that occupation with "going to church every Sunday."

Also, we would like to ask our long-time friend, Ed Franklin, a question if it is not too late to expect an answer:

Query: Does Mr. Powell open his night club and dance hall with prayer?

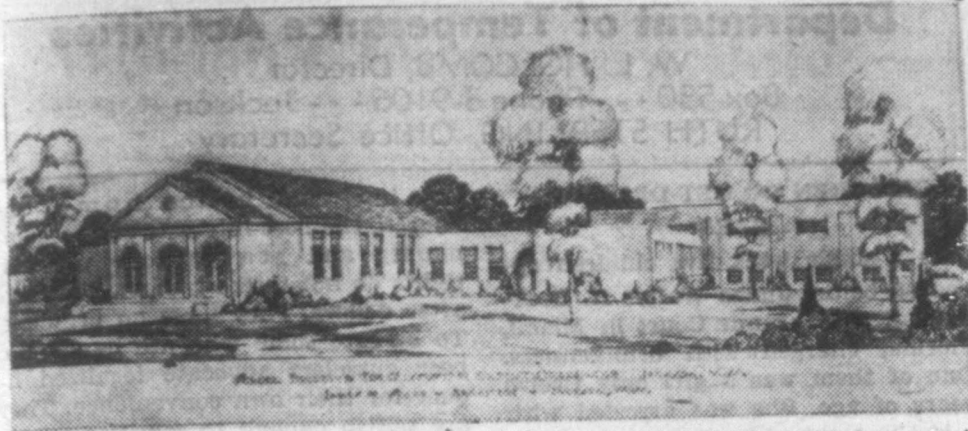

Or does it take two pairs to open?

"YES, I TITHE"

Says Mrs. George R. Martin, Norfolk, Virginia, President, Woman's Missionary Union; Auxiliary to Southern Baptist Convention.

"I tithe because I know it is God's plan for a Christian. I tithe because it is practical. I tithe because it makes giving a joy. I tithe because I believe it is a way out of financial difficulties—it assures funds for every worthy appeal. I tithe because I believe it is the way up to a complete partnership with God—it lifts all of life to a higher level. Yes, I tithe because I believe I will be rewarded by new and exciting adventures in partnership with Him!

ADVANCE IN AFRICA, EUROPE AND NEAR EAST

By George W. Sadler

Secretary for Africa, Europe and the Near East

It would be difficult to overstate the importance of making available missionaries and money for a program of advance in Africa. As someone has suggested, the peoples of that continent are "conscious, stirred, reacting, and moving as never before." The same person declared that "in Africa disease, fear, frustration, bitterness and despair are more evident, more communicative than ever."

This moving, frustrated Africa will become a dangerous member of the family of nations unless her people are brought under the sovereignty of Him whose influence is love and peace. Southern Baptists have been working at this task for almost a century. And, gradually it has become clear that we must lengthen our cords and strengthen our stakes.

The program of advance will enable us to train pastors and teachers who will function as spiritual guides for the awakening millions. A few days ago the principal of the seminary at Ogbomoso called attention to a request for \$65,000 for the erection of an administrative building and two residences. These items were recently approved by the African mission. Dr. Christopher Pool says: "in faith we are launching out and by faith in the Lord and with your help and the support of the Nigerian Baptist Convention and of the Southern Baptist Convention, we will build a seminary that will bring glory to God."

At the last meeting of the Board \$25,000 was appropriated for a dormitory at the girls' school at Idi-Aba, Abeokuta. Many more thousands will

be needed for this admirable institution and the three other schools for girls in Nigeria which are looking to us for support.

The program of advance will enable us to make more effective the work of our hospital in Ogbomoso and the medical centers at Shaki, Joinkrama, Iwo, Ire, and Igede. It will also help us spiritualize and extend the influence of the Baptist College at Iwo, the secondary schools in Lagos, Abeokuta, and Oyo, and the scores of secondary schools throughout the country.

Finally, the program of advance would make possible our entry into the four needy areas of Africa to which our attention was recently called: Liberia, the Congo, Portuguese East Africa, and South Africa where millions now sit in darkness.

Europe: "The day has come when we can no longer count on a majority of the people in Europe having an interest in, or even a knowledge of the Christian faith." The truth of that statement can hardly be questioned. Southern Baptists are in earnest about changing that picture. In our effort to do so, we are planning to establish a seminary in Zurich and a training school for ministers in Turin. More than a quarter of a million dollars has been granted for these objects. But these institutions and similar ones in Budapest, Bucharest, and Barcelona cannot be maintained and enlarged without a generous outpouring of funds on the part of the members of our constituency. Nor will it be possible for us to co-operate in the rebuilding of destroyed churches, the publication of literature and the training of women unless we go beyond our present limit of giving.

Correction: We were in error in reporting Second Ave. Laurel as having 32 unions. The three should have been a one. They have 12 unions. Congratulations anyway, for this is a good record.

All Dressed Up and SOMEWHERE to Go

Pastors are saying "Thank you for arranging these Youth Rallies. We need just this sort of thing, not once, but often, for our young people." We agree with them whole heartedly. Not that our young people are bad, or that they need guidance anymore than the young people of any age, but always they have needed, and deserved all the help we could give them. Thanks to the eight churches for entertaining these eight Youth Rallies. You got a card and a letter about them, didn't you? You were supposed to have received both. Last weeks Record carried a good announcement. If you did not read it, hunt that copy of the Record up and read it. Next Week's Record will carry detailed information, be sure to watch for it. Yes we have somewhere to go during the week of October 9-16. Clinton, 9; First McComb, 10; First Biloxi, 11; Main St. Hattiesburg, 12; Clarke College, 13; First Starkville, 14; New Albany, 15; Clarksdale, 16. The meeting in McComb will be at 2:30 in the afternoon. All other meetings will begin at 6:00 p. m. with a fellowship hour. To these night meetings you are asked to bring sandwiches.

WIGGINS RE-ELECTS REDFIELD

For a number of years the Wiggins Training Union prospered under the leadership of Mr. H. V. Redfield as director. A few years ago, because of ill health, he had to resign this position in the church. The Lord has blessed him giving him back his health and so the church has given him back his old job. About the first thing Mr. Redfield did was to have an Executive Committee meeting and challenge the leadership with a program. This program included a study course in the methods books and this was planned for the week of September 12-17. It was the pleasure of the State Training Union Secretary to help in this course. He enjoyed greatly renewing fellowship with a number of old friends, and making new friends. The pastor, Dr. R. P. Butler is Training Union minded and cooperated in every way to make the week profitable. Goals for enlargement were set, and plans for bringing a good group of the young people to Hattiesburg October 12 for the youth rally were made.

Jackson Co. Follows Well Attended Officers and Leaders Council with Church to Church Visitation Program
On September 5th First Church Pascagoula was host to the quarterly Officers and Leaders Council of the Association. Wallace Harrell, Director of the associational work, reports an attendance of 220 from 13 churches. Departmental meetings were preceded by a song service and devotional and followed with a musical program. A new training union was announced, the Magnolia church having organized recently. Emphasis was given to the Church to Church Visitation Program set for the week of September 19-25. Two teams going every night,

designed to reach every church in the association was the plan. This goes to press as this special weeks program begins. Jackson county is setting the pace in several ways for others and we congratulate them on their progressive march.

IT Is Being Done

For several years we have urged each association to elect ALL Associational Training Union officers at the regular association that meets in September or October. Thanks to those who have taken this additional step. Already we have received several complete lists. This means that these associations need have no slow down waiting for the officers to be elected. It also means that ALL associational officers can attend the CLINIC FOR ASSOCIATIONAL OFFICERS to be held in November. There will be three instead of one this year: Grenada Nov. 10; First Meridian, Nov. 11; Brookhaven, Nov. 12. Morning and afternoon sessions. Leonard Wedel, Aubrey Hearn, and Thelma Arnote will be with us from the Nashville office. Please plan to attend.

Marshall Co. Scores Victory in Associational Meeting

Mrs. C. A. Sanders, Associational Director for Marshall Co. has been rejoicing over the splendid results of the last associational meeting. Every training union in the association was represented and two of the Training unions, Potts Camp and Pleasant Grove had a 100 per cent attendance of their Training Union enrollment. The Intermediates and Young People were featured on the program with the devotional by Potts Camp and a demonstration by Sladen. Missionary Glenn Crawford brought the inspirational message. The attendance was 129, the largest attendance they had had.

CHILDREN DO GET DRUNK IN BARS

In a single week five children appeared before Judge Walter H. Beckham of the Juvenile Court in Miami, Florida, charged with drunkenness. One of them was a girl only twelve years of age. She was arrested with a girl just out of her teens. They had been drinking in the saloons. The other three were boys. All of them had purchased liquor in local bars. They gave the names of the parties who sold them the drink, and police arrested the bar owners. The Judge said, "Cases of children arrested for being drunk come before this court almost daily." He continued: "It is not the cases we have that worry us as much as the cases we don't have. Anybody in Dade county can see the sale of liquor to children if they visit bars and taverns any night between ten and midnight. This is especially true of so-called 'juke joints' where there is music and dancing."

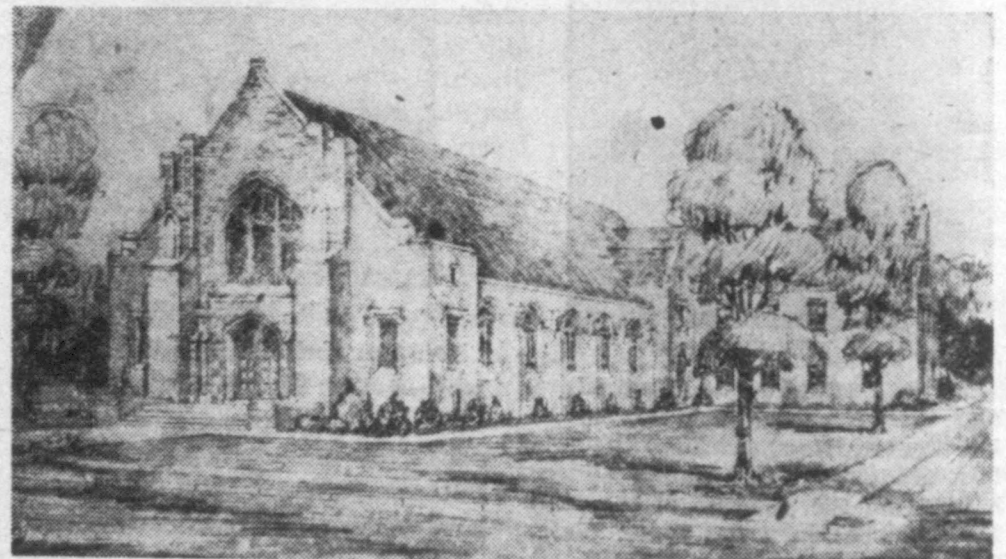

Dade county, Florida, is not the only place where children are sold liquor in bars and taverns. This is true wherever liquor is sold legally. Yet the advocates of legalized whiskey in Mississippi would have us believe that they want to protect youth. They are interested in just one thing; namely, money in their own pockets. They do not care for boys and girls. They are

not interested in the home, the church, the best interests of the community and state. Your personal rights do not interest them. They are after dollars. They have no principle. To be sure some who are liquor and beer guzzlers advocate legalized liquor for their own convenience. They are selfish enough to sacrifice everything that is high, holy and good for the gratification of their own selfish desires and appetites. The Campaign for legal liquor, however, is pushed by those who profit by its sale.

The wets admit that they are going all out after our children: "We must train up a drinking youth" came out in the Brewers Digest after the repeal of the 18th Amendment. Their 150-million-dollar advertisements for 1947, and their insidious allurements are all designed for this purpose. They are after our boys and girls.

A New Jersey saloon has a children's hour. They draw the children in for a hour of television shows. The purpose is to make customers out of them in a year or two. How long will American people tolerate such exploiting of youth. How long will we allow the hounds of hell to prey on our young. Judge Fred Baiels, eight years Juvenile Judge in Ohio, speaking of these things said, "Mankind is the only part of God's creation that will prey on their young." Pray for the return of national prohibition.

White Cross Report

Last May when we sent out the call about White Cross supplies to help open the Medical Work in Italy, the response was marvelous! Supplies and money began pouring in. The supplies were packed in 18 packages weighing 22 lbs., each and mailed to our Missionaries for use in the Clinic and Orphanage. The money was sent through our Foreign Mission Board to Italy and designated for Bibles and equipment for the Clinic. \$1,775.28 has been received in cash and the following supplies were sent:

- 522 Pillow cases
- 26 Sheets
- 263 Towels
- 120 Bath Cloths
- 165 Floral feed sacks
- 60 Yds. Bolt domestic
- Blood pressure testing outfit
- First Aid Supplies: gauge, cotton, tape, band aid

The last few days have brought the good news of the arrival of these packages in Italy. We share with you excerpts from the letters:

"Saturday we had showers of rain for the first time in the daytime this Summer; but we have been having showers of gifts from Mississippi for the Clinic and Orphanage for a whole week now. Surely these are showers of blessings for you and for us. For you because you have given generously from a loving heart and for us because we have received with gratitude so that we may be instruments to help God's children.

The new Orphanage for girls has been completed and is beautiful and the little chapel that stands between the boy's and girl's buildings will be completed in a few weeks. When these three buildings are open and functioning Baptists in Italy will have a marvelous opportunity to witness through the children of Italy for Christ. How we do appreciate the part that American Baptists have played in making this possible. Continue to pray for us and for the work in these buildings.

With the sheets, pillow cases, towels and the like that you have sent we will be able to start the first ten girls in the Orphanage the first of October. You can't imagine how wonderful it will be for some of these children who have been living in caves or in broken and bombed houses to be able to live in a beautiful place, to have new beds, new mattresses, clean new sheets, fresh towels, clean pillows and cases, lovely showers with hot water, good food and the love of the Baptists of Italy and America.

I want to ask you to thank whoever sent the pieces of dress material. Here all boys and girls up to 12 years of age wear a complete apron with sleeves and a back over their woolen clothes in the winter time. These pieces of material will make lovely aprons and will be a happy touch of brightness. It's not just our institution children; it's all the children who go to school. You have to wear wool all winter and of course it can't be washed every day so these aprons are a tremendous help.

When the Orphanage opens officially for the winter with 75 little boys and 10 little girls you can be sure that your gifts will be put into immediate use. The boys play a type of football that looks like fancy dancing when

played by the experts but which causes a lot of falls when played by our kids. They'll be most grateful for bandages after two or three hours on the field. When Dr. Rankin was here he suggested that the little house beside the gate of the Orphanage, which was built for a gatekeeper, be used instead as an infirmary.

Saturday night Dr. Moore and I had a most interesting experience. The Youth for Christ group had scheduled a meeting and had of course invited all evangelicals to be there. They put up placards and dropped leaflets from airplanes but the placards and announcements were torn down by members of the Catholic Action group which were having their convention in Rome Thursday through Sunday. A few hours before the meeting our permission was recalled and we were told that there had been a mistake and that we couldn't have the meeting. Since all but one of the speakers were Americans, the American ambassador was called. We're supposed to have religious liberty in Italy. An hour before time for the meeting we again received permission to go on with the services. When about 1500 people had entered the court where the meeting was to be held a group of priests and their Catholic Action boys placed themselves at the entrance and wouldn't permit anyone else to enter. When the first speaker, an Italian professor from the Protestant Waldensian Seminary, rose to speak the group from the Catholics began their "Viva la Papa, Viva la Papa." Long live the Pope, Long live the Pope. He spoke with complete fearlessness and held his audience during the entire sermon. It was easier after he had finished for the others for they saw that nothing had happened to him. We were there for more than four hours. When we came out and walked a block in the direction of our bus for home we met the procession of Catholic Action boys going to St. Peter's. An enormous street was filled with boys and young men carrying candles and banners which read "Viva la Papa." The odor of the burning candles and the tramp of thousands of feet and the melodies of the songs made shivers run up and down our spines. How powerful is this great group; more than 300,000 in Rome Saturday night paying homage to a man. Sunday morning while we worshipped in Signor Veneziano's church we saw men with the green tams (their symbol) with their caps hidden behind them as they listened to his message against the worship of idols. How we do need the prayers of all Christians that we may be effective witnesses for His. The boy who sat next to me during the meeting was a Catholic. It is most unusual to meet anyone here outside our church who admits being an Evangelical."

ELECT AN ASSOCIATIONAL MUSIC DIRECTOR

It is hoped that every association will elect a director to work with our District Directors.

MUSIC BUDGET

Now is the time to ask your Budget Committee for a music allowance for next year. Included in this amount there should be enough to take care of an extra set of books for choir, other music, tuning piano and organ. Add 25 or 50 hymnals for your auditorium to take the place of those that "drifted away."

1949 MUSIC EMPHASIS

A committee composed of all Associational and District Music Directors will meet in the Baptist Building for the purpose of writing the 1949 Music Emphasis folder to be used as a guide for our music work for 1949. Very careful and prayerful consideration and preparation will be given to the writing of this important folder.

As soon as the 1949 Music Emphasis comes off the press, it will be sent to all church musicians of each church on files; also to the pastors of each church. If you are not sure that your name is on our files, let us know so that we may not leave you out. We

should know of any correction or change in your church musicians in the last year so we can correct and change our files. Thank you for your cooperation in this matter.

GRADED CHOIRS

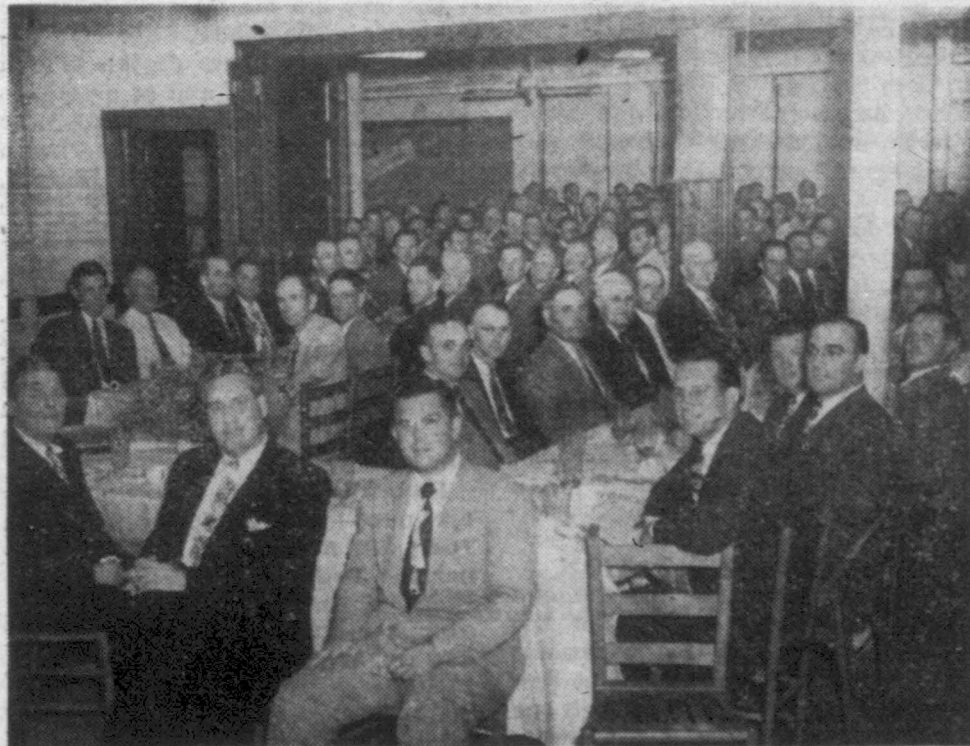

At the beginning of the fall and winter season some churches will inaugurate a larger music program. Some churches could use an entire program of graded choirs, while others could use only part of it. For suggestions about the graded choirs we recommend to you again "Methods and Materials for Graded Choirs" by C. A. Holcomb, Director, Church Music, Florida. This book is now in printed form and can be ordered from the Baptist Book Store.

We have available for the asking from our Department a pamphlet entitled "The Age Group Choir Plan" which explains about these choirs.

Planning Meeting, October 1

Friday, October 1, is State Planning Meeting for all Associational Sunday school officers. This meeting will be held in the Calvary Baptist Church, Jackson, and will begin at 10:00 o'clock. This meeting is to plan our work for next year. Let all Associational officers please make note of this important meeting, and plan to be present that day.

1ST CHURCH, BROOKHAVEN, ORGANIZES BROTHERHOOD

A READER WRITES

The attached clipping from the Times-Picayune shows the inevitable trend towards placing the burden of the support of parochial school on the state.

It would seem that if the parochial schools exist to espouse a particular ideology or religious ecclesiasticism that the state should not be called on to contribute to their support no more than any other denominational group would expect to receive similar support.

The clipping from the Times-Picayune follows.

Baton Rouge, La., Sept. 17 — Children in parochial and non-profit private schools are entitled to free lunches on the same basis as those attending public schools, the attorney general's office has ruled in an opinion made public today.

— E. L. LANDRUM, Hattiesburg

Brookhaven Baptists make a habit of doing things in a big way. The newly organized Brotherhood continued that custom. At the initial meeting of the new Brotherhood of the First Baptist Church, held last week, there were 138 men present.

Dr. J. D. Grey, pastor of the First Church, New Orleans, was the main speaker, using as his theme "You Can Take It With You."

Shown above is a picture of the men seated about the banquet tables. Those on the front row from left to right are: Nelson Goings, president; Dr. J. D. Grey, speaker, and Dr. W. Landon Miller, pastor.

The 1948 session of the Calhoun County Association was one of the most harmonious of the 73 sessions that are now history. Meeting at New Liberty the first day and Antioch the second day, the crowd was an overflow the first day, with 350 present the second day.

Bradford Murphy for the 16th time was named moderator; E. A. Dye for the 25th time, clerk, and Van Hollis, treasurer. The entertainment was up to the usual high standard of Calhoun County. As usual, I was given a good hearing and sufficient time.

Associational Statistician, Rev. Leslie E. Roane, says that the reports were well prepared and thoroughly discussed. According to Mr. Roane the 46 churches reported 404 baptisms, the second highest on record; a total membership of 8,000, and total contributions, \$122,343, a record.

Mr. Roane, who has attended 39 sessions since 1900, says that few now living were regular attendants then.

GEORGE W. CAUSEY

On Sunday morning, September 1, 1948 at the regular opening assembly period of the Intermediate Department, Main Street Baptist Church, Hattiesburg, George W. Causey, Superintendent, was honored by pupils and teachers.

Mr. Causey is retiring as Superintendent of this department, after having served for twenty-five years in this capacity. Tributes were paid Mr. Causey by pupils, teachers, and the pastor, Dr. John E. Barnes, Jr. He was presented a sterling silver tie pin and belt buckle by the department in appreciation for his faithful service.

Not only has Mr. Causey's influence been felt in the Sunday School department in every other phase of the church life. He is a deacon, and at present is serving as Chairman of that group; he has served many years as Church Clerk, also on the Budget, Finance, and Auditing Committees of the church. He is an active member of the Adult Training Union.

October and State Missions

October and State Missions are certainly similar in our Sunday school program.

The fourth Sunday in October of each year is State Mission Day in the Sunday school. This year that is October 24.

A special State Mission Program is given on pages 60-62 of the October issue of the Sunday School Builder.

The purpose of State Mission Day is twofold: to inform our people about Mission work in the state, and to inspire a generous offering.

Don't fail to observe State Mission Day in your school on Sunday, October 24.

New Intermediate Graded Lessons

The new Graded Intermediate Sunday School Lessons are now ready.

These Graded Lessons are for schools where the Intermediate department is graded closely; that is, at least one class for each age.

The lesson writers have put their best into these new lessons, so we hope all schools that have closely graded Intermediate departments will use these new lessons. They will be ordered from Nashville just as all other quarterlies and teachers' books.

Laurel Clinic Testimonies

"This Sunday School Clinic has made me see the need of more study, and gave me new ideas of how to study, and has inspired me to better Christian living." — Mrs. Frank H. Cox, New Albany.

"The Laurel Clinic has been a high light in my life. I hope to return to my church and help the workers to become more interested and efficient in their teaching." — Mrs. S. E. Sumrall, Lake.

"This Clinic has made me blue when I realize how indifferent many teachers are. The sessions are too long, but I don't see any way to help that. I hope by personal contact to get all our teachers to the Clinic in Hattiesburg." — Mrs. Virgil Ratcliff, Petal.

BOONEVILLE

Baptist affairs at Booneville are booming under the leadership of Pastor L. G. Sansing.

One of the main attractions now is the three-story educational building which is nearing completion. It will house all the departments of the Sunday School except the nursery and two or three adult classes. The total cost will be more than \$80,000. The contractor promises to complete the building by November 1.

On the ground floor is an area 30x50 feet which will be used for recreation. The kitchen is on the ground floor also. In addition the new building will house the church offices and library.

Baptists of Philadelphia are celebrating their 250th anniversary.

in fine homes, the good meals well planned and served, and the fine program of teaching, have certainly inspired me to want to do better work. The sessions were too short." — Mrs. Gaston Beard, Foxworth.

"The conferences have given me new ideas on studying and teaching the Bible. The general sessions were very informative and inspirational. The faculty can't be excelled." — Mrs. Varda Smith, New Albany.

Good Extension Vision

"God has laid on my heart the Extension Department work as I see so many who cannot attend Sunday school," says a fine worker in one of our good churches.

There is certainly a wonderful opportunity awaiting us in ministering to those who cannot attend school on Sunday. We need many others with a vision like that stated above.

Lebanon Campaign Successful

The Lebanon Association Sunday school campaign the week of September 13-17 was a glorious success.

A total of 323 were enrolled from 17 churches, with an average attendance of 225.

It was indeed a great week of fine classes (one for each department) studying how to improve our Bible teaching in our schools.

Pastors, officers, teachers, educational directors, office secretaries, associational officers, others, cooperated in great fashion to make it such a fine week.

We appreciate the privilege of having a part from the State office in this great week's work.

October And Study Courses

Don't let October get by without having a Sunday school study course. That is the Fall month for Sunday school courses.

It is a wonderful time because the new year has just begun. New workers and those not new need the help of such a course. Be sure to have it.

We gain always by training our leaders.

Hurly Church Adds Nine

Rev. O. C. Cooper, pastor, First Church, Greenfield, Tennessee, recently led the newly organized Hurly Church, Jackson County, in a revival. Mrs. Cooper led the children's work and also brought chalk talks.

There were nine additions, four by baptism, and sixteen rededications. Six of the sixteen are volunteers for special work.

Rev. Wallace Harrell, Jackson County Associational Missionary, is serving as temporary pastor. Soon after the church was organized he asked the people to adopt the Every Family Plan of the Record. As usual, they did.

(Editor's note: Most churches would if the pastor would do likewise.)

Two Mile Church Organized

A new church has been organized two miles north of the Morton and Canton Road. The church will be known as Two Mile Baptist Church. Organized in August with 15 charter members, the membership has now come to 25.

W. W. VENABLE PASSES

With the passing of W. W. Venable of Clarksdale, recently, Baptists have lost one of their most active workers. He was a lawyer of ability, a former Congressman and prominent member of the Bar Association, having been president of this group at one time.

His father, Dr. R. A. Venable, was a teacher at Mississippi College, and a leading preacher in his day. Judge Venable was teacher of a large Bible class at Clarksdale for 26 years, serving until two years before his death. He has served in many capacities in the church, being a deacon for many years. He will be greatly missed. He was born September 25, 1880.

The Venables formerly lived at Meridian. He is survived by his wife and one daughter, Miss Gowdy Venable of New Orleans, one sister, Mrs. Clyde Soule of Meridian, and one brother, R. A. Venable of Meridian.

Envelopes postmarked October 1 and containing applications for participation in the Widow's Annuity Plan will be accepted!

A special message to all ministers who are members of the Minister's Retirement Plan but have not joined the Widow's Annuity Plan.

It Is Not Too Late . . .

For you to secure FULL PROTECTION in the Widow's Plan IF YOU ACT NOW!

The Widow's Annuity Plan became effective in Mississippi on July 1, 1948. The Relief and Annuity Board gave us permission to accept any minister who made application by October 1, with full protection. As in the Retirement Plan, if you are eligible to enter the plan now, but fail to do so by Oct. 1, there will be a decrease in the amount of protection received.

YOU CAN STILL SECURE FULL PROTECTION PROVIDED YOU ACT AT ONCE!

The Protection Is Great!

Nothing finer has ever been offered Southern Baptist Ministers than the protection under this plan. In the event of your death prior to retirement your widow will receive an annuity of 10% to 20% (full 20% after sixth year of participation) of your salary for the remainder of her life or until she marries again. In the event of her remarriage the contract guarantees that she will receive the full amount that you have paid into the Retirement Plan plus interest.

Think of the security that such a plan offers! To know that your wife and children have this protection will bring great peace of mind to you.

The Cost Is Small!

The cost is only one-half of the amount that you pay for your retirement, 1 1/2% of your salary. Thus for 4 1/2% of your salary you not only provide a retirement annuity for yourself, but a widow's annuity in the event you do not live until retirement. The same protection from an insurance company would cost you several times the amount you pay for this.

MAKE YOUR PROTECTION COMPLETE! INCLUDE YOUR FAMILY! SEND YOUR APPLICATION TODAY!

Do you tithe? If you are a Christian and do not tithe, you are sinning against God, not according to our opinion but according to God's word. No person should be a member of a Baptist church, much less an officer of the BSU, who does not tithe at least. . . Mary Lee Ernest, 1711 Clark St., Honolulu, T. H., writes of the students, including Frances Bibb, who worked in the islands recently: "They have brought enthusiasm to our young people and to the missionaries and have worked unceasingly at whatever task came to them." Then she says, "I have not yet figured out how I rate getting the 'Mississippi Miscellany' each month. But I want you to know it really is welcomed! . . . Although we did not get to have her in our church for a long period of time, we want to thank you for loaning us Frances. Her chalk talk one Sunday morning brought a message we shall not forget. She is tops in my personal estimation!"

MISS LOUIE RICHARDSON

Miss Louie Richardson was buried in Mt. Zion cemetery at Independence, Miss., on June 19, 1948.

She was born July 7, 1873 and reared in Tate Co., being the youngest daughter of Rev. John Richardson, one of the Pioneer Preachers of North Mississippi.

In early life she was converted and her life was spent faithfully in his service. She taught school for many years. It is with sorrow and regret that we part with one so loyal and true.

Her loved ones, her devotion to her family and friends, her gentle sweet disposition made her an inspiration to all with whom she was associated, we extend our heartfelt sympathy to her loved ones.

HEIGHT C. MOORE in Points For Emphasis
A LIBRARY OF RELIGIOUS LITERATURE

Psalm 119:97-105; Luke 1:1-4; John 20:30-31; 2 Timothy 3:16-17

The Bible includes sixty-six books penned in Hebrew and Greek by about forty inspired writers through some fifteen hundred years. The Old Testament contains law, history, poetry, and prophecy. The New Testament contains the Gospels, the Acts of the Apostles, the letters and the Revelation.

The passages before us are from David who magnified the law, made history, wrote poetry and prophecy; from John the beloved apostle who wrote one of the Gospels, three of the Epistles, and the Revelation; and from Paul the missionary who wrote thirteen or fourteen of the letters to individuals and churches.

Notes Analytical and Expository

1. THE LONGEST PSALM centers in the love and light and life of the law of God. On tables of stone at Sinai the fundamental law of God was first written. It has come to us on the imperishable pages of Holy Scripture. It is engraved on the table of conscience. It is the law of human life, past, present, future. It should be inscribed first in the heart. Love is the master key unlocking its mysteries. Love is the motive that prompts obedience to it. Love makes it understandable, enjoyable, recreative, and inspiration. Significant are the names given by the psalmist in the verses before us; (1) "thy law," revealing the will of God for all men and for all of each man; (2) "thy commandments," expressing the authority of God and enabling one to be wiser than his foes or the ancients or even his (worldly) teachers; (3) "thy testimonies," embodying injunctions for righteousness; (4) "thy precepts," which are the behests and mandates that guard and guide in the discharge of duty; (5) "thy words," of cheer and courage and comfort which are "sweeter than honey to my mouth;" (6) "thy judgments," with their inspired instructions regarding human accountability and the retribution of wrong-doing; and (7) "thy word," which in its totality helps to refrain "my feet from every evil way" because it is "a lamp unto my feet, and a light unto my path."

2. THE LATEST GOSPEL climaxes and concludes with the grace, the goal, and the glory of the gospel of the Son of God. Note: (1) The Saviour present among his disciples; leading them, teaching them, empowering them, never leaving them. (2) The Saviour presented in his Word; as John magnified the deity of Jesus and Mark wrote his Gospel of the Son of God. Send the message to all the world. (3) The Saviour accepted by faith. "Jesus is the Christ, the Son of God." Believe his Word. Believe on him. Commit all to him for time and eternity. (4) The Saviour the source of life. It is the life through his name. It is the new life of one born from above. It is the life abundant, overflowing, satisfying, eternal.

3. THE LAST OF PAUL'S LETTERS certifies the enlightenment and edification of the New Testament epistles. Note the influence of the Bible in the training and equipment of Timothy. (1) He knew the Scriptures, having studied them from childhood under the tuition of godly parents in a Bible-loving home. He accepted their truth and thus became wise unto salvation by believing in Christ. He continued in their study and practice with full assurance of their truth and with the impress of early teachers upon him. (2) His doctrine of inspiration was sound. He believed all the Bible. He accepted it as inspired of God. He found it profitable for teaching the receptive, reproving the wayward, correcting the mistaken, and developing all in the art of right living.

MRS. W. H. ARNOLD

We, the committee appointed by the Gunnison Women's Missionary Union to draft resolutions of respect and appreciation for the life and character of one of our charter members, Mrs. W. H. Arnold, submit the following:

First, the members of our church and society express their sorrow at the passing of this charter member of our organization, who through the years has been a most loyal worker.

Second, we shall miss Mrs. Arnold's interest and faithful service and shall try to carry on the work she loved.

Third, we commend her generous gifts to the denominational schools of the state.

Fourth, we wish to assure the members of her family of our prayers and sympathy.

Fifth, that a copy of these resolutions be given to the family, a copy spread upon the minutes of our proceedings, and a copy sent to the Baptist Record for publication.

Baptized Prisoners Attempt Jail Break

MURFREESBORO, Tenn. —(RNS)—The way of redemption evidently wasn't all they sought, and four inmates of the Rutherford county jail who were recently baptized into a church here made an unsuccessful attempt to escape from the jail at night.

The sheriff identified the four prisoners as the same group who, along with one other, professed religion two weeks ago and were baptized at a local church.

(3) His Bible equipment was essential to his efficiency. Though a man of God he was not and could not be complete in his own character and conduct without much Bible study and knowledge. And that which completes his character must also complete his equipment for his best service. Indeed, the Bible furnishes unto every good work.

The Lesson of the Lesson

What To We With God's Word

(1) Love It. "O how love I thy law!"
(2) Ponder It. "It is my meditation all the day."

(3) Understand It. "Thy testimonies are my meditation. I understand more than the ancients."

(4) Keep It. "I keep thy precepts. I have refrained my feet from every evil way."

(5) Appreciate It. "How sweet are thy words unto my taste! Yea, sweeter than honey."

(6) Enjoy It. "Thy word is a lamp unto my feet, and a light unto my path."

(7) Believe It. "These are written, that ye might believe."

(8) Receive It. "All scripture is given by inspiration of God."

(9) Profit by It. "All scripture. . . is profitable for doctrine. . . reproof. . . correction. . . instruction in righteousness."

(10) Perfect with It. "That the man of God may be perfect, thoroughly furnished unto all good works."

Gold in the Golden Text

The word of our God shall stand for ever. Isaiah 40:8.

"All flesh" is transient. We are, humanly speaking, like the grass and the flowers in the fields. Let the sirocco of the desert blow upon it; the grass withers and the lovely flower petals are shattered. How fragile is the flesh! How small a touch of adversity destroys it!

In striking contrast there is the Word of God like a granite boulder standing out upon the mountainside, defying the elements and unmoved for ages. We can depend on what God says for his Word will stand for ever.

THE ANSWER IS MEN (Continued from Page One)

tional need. It can be truthfully said that:

Our homes need to be more Christian—the answer is MEN.

Our pastors need help — the answer is MEN.

Our churches need workers — the answer is MEN.

Our churches need to be more evangelistic — the answer is MEN.

Our churches need to enlarge their financial program — the answer is MEN.

Our state conventions need to expand their work — the answer is MEN.

Our southwide work needs to be enlarged at home and abroad — the answer is MEN.

Southern Baptists need not ask of God more physical power to do the world task that Christ has assigned to us. He has already sent it. We have it residing in the host of men who have their names on our church rolls. For a world gospel to a world, the answer is men. Layman's Day can be a great denominational asset. Southern Baptists should make the most of it in their churches this year.

KOSCIUSKO TO CELEBRATE 100TH ANNIVERSARY

Kosciusko, Miss., Sept. 24 — Final arrangements are being made by Kosciusko's First Baptist church for a celebration of its centennial at the church Sunday, October 10 from 10:45 a. m. to 4 p. m., disclosed James T. Crawley, general chairman of arrangements in a press release today.

Dr. Rowland Q. Leavell, president of the New Orleans Baptist Theological Seminary, formerly of Oxford and a member of the Leavell family which has been outstanding for many years in Baptist history, will be the main speaker for the occasion.

A special musical program is being arranged under the direction of Mrs. L. L. Brown, music chairman and church organist. Featured will be the Kosciusko Men's Chorus, directed by Bill Nason.

A high point of the all day session will be the centennial contribution to the building fund of the church which at present has reached a total of \$60,000.

Former pastors of the church will be extended a special invitation to attend the participate in the ceremonies. Also specially invited are former members and their families.

Present pastor of the church, the Rev. R. C. Holcomb, is in his tenth year as pastor. Great strides have been made in membership and financial growth under his leadership. Membership has been enlarged to the present 1314 members, including 276 non-resident members.

Organized by the Rev. W. W. Nash, the church had its first location in a frame building on the corner of North Huntington and Fairground Street which was later used as a school building by Miss Ellen McNulty. In 1892, location of the church was changed to the present one on North Jackson Street where the new building was erected at a cost of approximately \$5,000. It was dedicated May 5, 1892, with the Rev. H. W. Sproles of Jackson preaching the sermon.

Great days have been celebrated in the history of the church. One of the greatest was when the church went on a full-time basis in 1918, and named the Rev. A. T. Cinnamon as pastor who served for 20 years.

A number of state meetings have been held with the Kosciusko church, the first being July 1884 when the Mississippi Baptist Convention met here, with W. H. Hardy of Meridian serving as president.

Other outstanding occasions were in 1918 when the State B. Y. P. U. Convention met here, and in 1940 when the State Sunday School Convention was held in Kosciusko.

East Church Has Successful Revival

Roberson Preacher -- 22 Added

The pastor, Rev. Homer W. Roberson, did the preaching and Rev. M. E. Perry, pastor of Second Baptist Church here led in the song services during a very successful eight day revival at the East Baptist Church, Greenville. The meeting closed Sunday evening September 26.

Mr. Roberson's messages were scriptural to the core and delivered in a most forceful manner says John D. Davis, Sr., chairman of the deacons. They were well received by the large congregations which grew from night to night, until Sunday, when people came in such large numbers that standing room was at a premium.

Besides greatly reviving the hearts of his own members, some of the visible results were 22 additions to the church, including 8 for baptism; the largest congregations in the history of the church; an all time record in attendance at both the Sunday school morning and the Training Union Sunday evening. Many have said it is the most successful revival in their experience.

Mr. Roberson began his ministry at East Church on August 1. During these two months there have been 56 additions to the church, 14 coming by baptism. A large percent of those coming for baptism are adults.
